Social	Human Capital	Employee Engagement, Diversity & Inclusion	Recruiting & Managing a Global, Diverse & Skilled Workforce	TC-SI-330a.1	Percentage of employees that are (1) foreign nationals and (2) located offshore	<ul style="list-style-type: none"> We provide online game services through our overseas entities and partner companies in over 190 countries and regions including Asia, North and South America and Europe. Diverse human resources, regardless of nationality, are utilized at each entity. We are also working to raise the level of development globally by allocating and utilizing talented human resources across national borders, as well as through the horizontal sharing of technology and know-how. For example, Nexon Korea employees with unique expertise in game technology are sharing that information with colleagues at Nexon Japan. https://company.nexon.co.jp/en/introduction/foreign.html Number of employees by reporting segment is disclosed in our quarterly investor presentations. Please refer to "Number of Employees by Reporting Segment" in the Investor Presentation for each quarter, which are available on the following website. https://ir.nexon.co.jp/en/library/result.html
				TC-SI-330a.2	Employee engagement as a percentage	<ul style="list-style-type: none"> While we do not have a globally unified practice to measure employee engagement, Nexon managers in each market/country conduct multiple town hall meetings each year to keep employees informed and to encourage engagement. We are also working on other initiatives to increase employee engagement in each region. In Japan, we regularly conduct employee surveys and give feedback to managers. In January 2021, Nexon Korea adopted a new compensation policy that included salary increases, and incentive programs that further rewarded team and individual achievements. Our policy was quickly copied by peer companies in Korea. Additionally, we are providing great employment opportunities for young people by recruiting more new graduates. In the US, Nexon was identified as a "Great Place To Work" based on an employee survey conducted by third-party experts.
